

Growth of A Dollar: 1926-2009

Different types of investments involve varying degrees of risk, and past performance is not indicative of future results. Historical performance results for investment indices/categories have been provided for general comparison purposes only and do not reflect the deduction of transaction, custodial, or investment management fees, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. You are encouraged to consult with a professional advisor of your choosing prior to making investment decisions.
