

## **Important Disclosure Information**

Wealth Management Solutions, LLC (“WMS”) is a registered investment adviser located in Scottsdale, Arizona. WMS may only transact business in those states in which it is registered, or qualifies for an exemption or exclusion from registration requirements. WMS’s web site is limited to the dissemination of general information pertaining to its advisory services, together with access to additional investment-related information, publications, and links. Accordingly, the publication of WMS’s web site on the Internet should not be construed by any consumer and/or prospective client as WMS’s solicitation to effect, or attempt to effect transactions in securities, or the rendering of personalized investment advice for compensation, over the Internet. Any subsequent, direct communication by WMS with a prospective client shall be conducted by a representative that is either registered or qualifies for an exemption or exclusion from registration in the state where the prospective client resides. For information pertaining to the registration status of WMS, please see the Investment Adviser Public Disclosure website located at <http://www.adviserinfo.sec.gov>. A copy of WMS’s current Disclosure Brochure discussing WMS’s business operations, services, and fees is available from WMS upon written request, or is available to download from this site by clicking on ADV Part 2 in the forms section.

WMS does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information prepared by any unaffiliated third party, whether linked to WMS’s web site or incorporated herein, and takes no responsibility therefore. All such information is provided solely for convenience purposes only and all users hereof and thereof should be guided accordingly.

Please remember that different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment or investment strategy (including those undertaken or recommended by WMS), will be profitable or equal any historical performance level(s).

Certain portions of WMS’s web site (e.g., newsletters, articles, commentaries, etc.) may contain a discussion of, and/or provide access to, WMS’s (and those of other investment and non-investment professionals) positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). Moreover, no client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from WMS, or from any other investment professional. WMS is neither an attorney nor an accountant, and no portion of the web site content should be interpreted as legal, accounting or tax advice.

Rankings and/or recognition by unaffiliated rating services and/or publications should not be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if WMS is engaged, or continues to be engaged, to provide investment advisory services, nor should it be construed as a current or past endorsement of WMS by any of its clients. Rankings published by magazines, and others, generally base their selections exclusively from information prepared and/or submitted by the recognized adviser.

Each client and prospective client agrees, as a condition precedent to his/her/its access to WMS's web site, to release and hold harmless WMS, its officers, directors, owners, employees and agents from and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from WMS. Notwithstanding the foregoing, the federal and state securities laws impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing herein shall in any way constitute a waiver or limitation of any rights which such client or prospective client may have under any federal or state securities laws.
